SUBJECT: 2021 HRSPA Scholarship for Professional School Personnel

The Henrico Retired School Personnel Association is again offering a \$1000 scholarship to a teacher or support professional in the Henrico County Public Schools to enable him/ her to add to his/her credentials in the education field, recertify, or take college credit classes that will enable the applicant to complete an advanced degree in his/her chosen area or to be able to work in the system in another area. Two of these scholarships will be granted this year.

SCHOLARSHIP APPLICANTS MUST:

Be a teacher or support professional in the Henrico County Public Schools in the school year 2020-2021 and plan to work in the system during the 2021-2022 school year.
Submit an application explaining clearly how the money will be used and why you should be chosen for this scholarship (i.e. financial need, why your circumstances may be unique). Limit your comments to 1 typewritten page.

Be taking an undergraduate or graduate class for which the money will be used during the summer of 2021 or in the fall or spring of the 2021-2022 school year. The check will be made out to the educational institution.

CRITERIA FOR SELECTION

The HRSPA Scholarship Committee will review the applications. They will consider need, but that is not the sole factor for selection. Special consideration will be given to personnel who plan to remain in the classroom.

RESPONSIBILITY OF SCHOLARSHIP WINNER

Return the Scholarship Recipient Report Form to the treasurer of HRSPA in a timely fashion with the required information so the check can be mailed to the recipient and submitted by the deadline.

Repay the scholarship money should the recipient fail to enroll in the class or fail to complete the class.
