

## **HRSPA Bd. of Directors Meeting Notes 10/6/2021**

Present: Becky Goshorn, Bonnie Thompson, Lee Reynolds, Susan Howe, Pat Rollison, Debbie Williams

Treasurer's Report: \$1962.02 in checking, \$7506.09 in general account, \$1453.95 in scholarship.

Money was voted to be moved from the general account to the scholarship account in order to cover our scholarship commitments.

No money has been taken from membership or dues since 2019.

Membership: 94 memberships have expired and 153 members have become inactive. No new retirees have been contacted since 2019 because email addresses were not given to us. Retirees in 2020 and 2021 will receive a mailing with membership information. Memberships that have expired will receive emails.

A hospitality chairman is needed.

Newsletter articles to Lee by 10/15. Please make your articles sound like anyone not rejoining are missing the opportunities of a lifetime. Let's get jazzy with the content.

A nominating committee is needed in February to compile a slate of officers. Anyone interested in being an officer or committee chair, please make yourselves known.

Philanthropy: Don't forget Christmas Mother donations. Because of our lack of funds, our scholarship donations will not be given in 2022. We hope to be able to continue for 2023.

Book awards will be given to schools who inquire about them.

There will be no fall VRTA Conference. Creekmore newsletters will be forwarded every month. Many are not receiving their VRTA newsletter and we are looking into why.
